

FY21 Close-Out Information

All:

The end of fiscal year 2021 is approaching fast. In order for us to comply with the prescribed closing schedule of the State Comptroller, we need your assistance in the timely processing of revenue and expenditure related transactions. The importance of timely submission cannot be emphasized enough.

Accordingly, we have developed the below schedule and appreciate your compliance for a smooth close-out process. Please review the below information very carefully, paying particular attention to stated due dates. If a staff member responsible for any of the below tasks is scheduled for vacation during these crucial time periods, please be sure to assign a designee to accomplish the required tasks.

PROCURE TO PAY – PURCHASING

A. AY21 ORDERING AND EXPRESS PO's - Please have all your ordering and Express PO's completed by Friday, June 11. This should allow time for receipt of goods, invoices and processing of vouchers by the cut-off date of Tuesday, July 13 (see below detail under invoices/vouchering). The Express PO should be done at the same time of the order prior to June 11. Please contact DBF if there are any issues or questions regarding Express PO's and invoices.

B. REQUISITIONS:

1. Requisitions Associated with AY22 only:

- a. Can be entered into GEARS on Monday, February 8.
- b. As always, please start your requisition name with the appropriation year "AY22" for easy identification. This naming convention should be used for all requisitions throughout the year. Additional details and information can also be entered in the comments section.
- c. Please ensure that the correct "AY2022" Appropriation Year is referenced in the chartfield distribution line(s).
- d. Please have the requisition approved.
- e. Do not budget check the requisition. If a user happens to budget check the requisition, you should receive a budget status of "error", due to the entry date of the requisition.
- f. The GEARS Team will perform a weekly process to change the accounting and budget dates on the requisitions to coincide with AY2022 (required) and perform a mass budget check. This process will be done on a regular basis and as needed to allow the Department of Procurement (DPCGA) time to issue the AY22 purchase orders. AY22 purchase orders cannot be used or have any activity associated with them prior to July 1.

2. Requisitions Associated with AY21 and AY22 both:

- a. Must be entered as two different requisitions.
- b. Can process the AY21 requisition as currently done and complete the full process.
- c. Any AY22 requisitions would need to follow the process noted above in B-1.
- d. Please remember, it is a requirement that all requisitions and purchase orders be done on a fiscal year basis.

C. END OF YEAR REQUISITION AND PURCHASE ORDER ANALYSIS:

1. Courts and Departments Process:

- a. Courts and Departments should review the status of their **requisitions** on a regular basis throughout the year, and this review is even more critical at year-end. A requisition reserves budgeted funds, so action should be taken on unneeded requisitions to accurately monitor and fully spend your budget. Follow the navigation below to enter your PCA and get a listing of requisitions by PCA number.

Main Menu > Purchasing > Purchase Orders > Reports > Req and PO Budgetary Activity

1. If requisitions listed should **not** have a remaining amount after PO issuance, please contact DPCGA for assistance.
2. Review the listing for open requisitions that are no longer needed. Please cancel these requisitions.

3. Review open requisitions applicable to FY21 and follow-up with DPCGA to ensure that a PO is dispatched, if still required. Please keep in mind that all goods and services ordered must be received by June 30, unless the PO is eligible for encumbrance. If the goods or services are not received and the PO is not eligible for encumbrance, the PO will be closed and if still needed, a new AY22 requisition will need to be created.
4. Review open requisitions applicable to FY22 goods or services to ensure they have the correct AY2022 appropriation year referenced and have not been budget checked. If they happen to have been budget checked, they should be in a budget status of “error” until the DBF process stated in B-1-f above is completed.
- b. Courts and Departments should review the status of their **purchase orders** on a regular basis throughout the year, and this review is even more critical at year-end. A purchase order reserves budgeted funds, so action should be taken on open purchase orders to accurately monitor and fully spend your budget. Please review the “Monitoring Procurement” tip sheet section on the GEARS site and take all appropriate action to close unneeded PO’s. As noted in the guidance, these actions should be started immediately for a smooth year-end and performed continuously. This message has been relayed in GEARS Notification emails and by the DPCGA numerous times already. If you have any questions or concerns, please reach out to DPCGA now.
- c. Courts and Departments should notify Budget within DBF of all purchase orders that they would like to be considered for an encumbrance by Tuesday, July 13th. **The PO Encumbrance Request form should be utilized and sent via email to JFBU@mdcourts.gov by the due date of July 13.**

2. Administrative Office of the Courts Process:

- a. Every purchase order with a remaining balance at the end of vouchering AY21 invoices will need to be reviewed and have appropriate action taken. After vouchering ends on Tuesday, July 13, the Department of Budget and Finance (DBF) will analyze all open PO’s considering Judiciary-wide year-end budget status and decide which ones will be encumbered. Your input from C-1-c above will be considered in this process.
- b. If a PO is selected to be encumbered or accrued, it will be moved forward into FY2022 with corresponding AY2021 open lines.
- c. All other remaining PO’s will be closed. For current PO’s with services crossing the two fiscal years, a new requisition/PO will be required, as these PO’s will be closed as well. We require all service PO’s to be established on a fiscal year timeframe.
- d. DBF will work with the DPCGA to make adjustments as needed on the purchase orders.
- e. After July 13, AY2021 PO’s selected for encumbering or accruing, as well as any additional open prior year encumbered PO’s, will not be available for vouchering. We are anticipating this timeframe to be an approximate three to four-week window. **A notification will be sent when vouchering can be resumed against these PO’s. Please do not attempt to voucher after the cut-off date against any AY2021 PO’s or earlier, as it may lock up the PO and cause additional issues.**
- f. DBF will notify the courts/departments via email of all final encumbered purchase orders.

PROCURE TO PAY – ACCOUNTS PAYABLE INVOICES/VOUCHERING

D. GEARS INVOICES: Please process all FY21 invoices in GEARS by Tuesday, July 13. (This includes travel expense reimbursement requests.)

1. **FY21 Invoices received on or before July 13** – Invoices applicable to FY21 can be processed through Tuesday, July 13. Between July 1 and July 13, please be sure to use a **June 30** accounting date on all FY21 vouchers and ensure AY2021 (or earlier encumbrance year) is referenced in the voucher distribution lines.
2. **FY21 Invoices received on or after July 14** – These invoices will need to be processed against your FY22 budget (unless related to an encumbrance or accrual, see C-2-e above). The accounting date used must be after July 1 (it should default to the current date) and the distribution lines should contain AY2022 (or the appropriate encumbrance/accrual AY year).
3. **Tuition Assistance** – Judicial College should complete all vouchers for tuition assistance courses completed by June 30.
4. **Post Office Box Rentals** – It is important to note that invoices for box rentals **must be processed immediately** upon receipt as a voucher in GEARS (as FY21) or you may call and make payment via credit card. The Post Office will lock your box quickly if payment is not received timely.

5. **Petty Cash** – Please be sure that you reconcile all petty cash funds at year-end and submit a reimbursement voucher in GEARS by Tuesday, July 13. This should be done even if the reimbursement is under the normal \$10 threshold.
6. **All FY22 invoices should be held for processing until after Tuesday, July 13.** On Wednesday, July 14, the FY22 accounting periods will be open and available for use in the Accounts Payable module of the system. Please be sure to have your FY22 PO's completed and ready for use before attempting to voucher any related invoices.
7. **After July 13, all invoices needing to be vouchered against encumbered or accrued AY2021 (or earlier) purchase orders should be held until notification is provided by DBF to proceed.** (See C-2-e above.)

E. NON-GEARS INVOICES: Please submit the below items as currently done by Tuesday, July 6 – All FY21 local jurisdiction reimbursement requests through June 30 for jurors and magistrates should be submitted to DBF.

F. GEARS VOUCHER REVIEW AND CLEAN-UP (for expenditure and revenue vouchers): Please start and continue this review through June 30.

All FY21 vouchers must be in a full complete finished status at year-end. DBF will be monitoring and reviewing vouchers but it is important that the courts/departments review their vouchers as well. This can be done through the Voucher Activity Inquiry page. Details about this functionality can be found under the Tip Sheet section of the GEARS site. Please review vouchers in different statuses, such as budget statuses that are in "Error" or "Not Checked", approvals that are "Pending" or "Denied", and match statuses with "Exceptions." Again, vouchers with these statuses need review and in most cases, need further action. If it is determined that a voucher is no longer needed, please notify Dana Brazerol via email with the details and requested action. In addition, please be sure to also review interpreter invoices that have not been completed, i.e. draft status, denied, or not approved. Please utilize the Interpreter Self-Service Monitoring document that can be found on the GEARS Tip Sheet site. If you need any assistance in processing vouchers, please contact Service Now x1114 or DBF staff.

GRANTS

G. JUDICIARY GRANT ACCRUALS: Please submit your grant accruals to DBF by Tuesday, July 6.

For those departments that award Judiciary grants, an email from DBF with specific guidance and instructions to record your grant accrual amounts and process your invoices will be distributed in June. Please watch for this email and be sure to complete the requirements within the stated deadline. All University of Maryland invoices must be accrued because they have an internal cut-off date of June 30.

BUDGET

H. FY22 BUDGET: DBF is anticipating having the exact detailed FY22 budgets entered in GEARS by the end of May. Until this time, a preliminary budget has been entered, which allows users to process FY22 requisitions. DBF will notify you when your preliminary budget is replaced with your final budget (approximately May 31).

PURCHASING CARD

P. FINAL PCARD REVIEW: The last statement of P-card charges for AY21 will be June 25.

Please be advised that due to timing issues, charges that post to your purchasing card account after June 25th (the statement cycle end date for June) through June 30th (the fiscal year end) will be applied against your FY22 budget with the July statement. In addition, once email notification to review your June statement has been received, please be sure to complete this action in a timely manner. There is a very tight timeframe at year-end for entering journal adjustments to clear the 0995 account. It is critical that this account is cleared and has a zero-balance coming into June and that all June charges are reviewed timely online with US Bank and during the GEARS reconciliation period.

GENERAL LEDGER

Q. JOURNAL ENTRIES: Please complete all journal entries by Wednesday, July 7.

1. **GEARS USERS:** Please complete any FY21 journal entries in GEARS. **For any FY21 journal entries done between July 1 and July 7, please ensure that the journal date is manually changed on the first screen of entry to June 30, 2021 to reflect the correct appropriation year.** (It normally defaults to a current date, which would be incorrect for these entries and cannot be changed once the journal is saved.) In addition, please ensure that journals are approved to allow for timely posting to fully complete the journal process.
